Newsletter

We have had a very busy week in school - it was the final week with the swimming pool; the children have loved it! It's been a wonderful success. We also celebrated VE days with lots of games outside – see the photos below.

Chicken Pox

We have had a few confirmed cases of chick pox in school. Please keep an eye on your children if they become unwell. Chicken pox does have a two-week incubation period. Please see attached NHS Guidance. <https://www.nhs.uk/conditions/chickenpox/>

VE Day Celebrations

The children had a great time celebrating VE day. They had an assembly in the morning where we learnt about why we celebrate VE day and thought about the importance of peace today. We then enjoyed our whole school celebration on the field in the afternoon. It was lovely to see children of all ages mixing and having a good time.

PTA School Disco

Please come along to our School Disco, run by Musical Mascots on 20th May. KS1, Rainbow, Red and Green's disco is 3.45- 4.45pm and KS2 is 5-6pm - please note that an adult must be present for the duration if your child is in Rainbow, Red or Green. Children in Orange, Yellow or Blue can attend straight from school and if you wish to send your child a change of clothes, please feel free to do so.

Tickets are priced at £5 per child including a hotdog or £3 per child without a hotdog. Please visit our Sumup store to purchase a ticket for your child at <https://edgewoodpta.sumupstore.com>. It really helps us and saves us lots of time if you tell us your child's name and class in the notes section when purchasing your ticket. To do this, you will need to add the item to your basket and then checkout as opposed to buy it now. We appreciate this is more long winded, but it really does save us and school a lot of time. Tickets will be on sale until Friday 16th May.

Note to all Year 6 Children

Next week you will sit your SATs tests for maths, reading, spelling, grammar, and punctuation. We know how hard you have worked, but the SATs tests do not assess all of what makes each of you special and unique. They do not check whether you love to sing or dance. They do not look for your natural talent for art or playing sports. They will not measure how kind, trustworthy and thoughtful you are and that every day you try to be your very best.

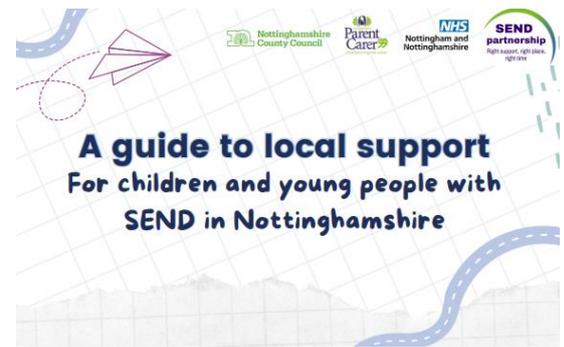

So, while you are preparing for the test and during it all, remember that there is no way to 'test' all of the amazing and awesome things that make you, YOU!

SEND support guide

The Local Area Special Educational Needs and Disabilities (SEND) Partnership includes all the education, health and care services available to children and young people in Nottinghamshire with SEND aged 0 to 25 years.

This guide can help you navigate the local system. Its aim is to help you access the right support, at the right time, for a child or young person with SEND.

If you need any further support, please contact Mrs Bradley, our school SENCo.

Partnership for the Inclusion of Neurodiversity in Schools (PINS) project

As part of our school's commitment to inclusion and working in partnership with families, we have been taking part in the Partnership for the Inclusion of Neurodiversity in Schools (PINS) project. The purpose of the project is to improve the experience of mainstream school for children who may have an additional educational need.

Earlier in the project, we invited all parents and carers to complete a short survey to share their experiences and views. The anonymised feedback helped us understand what was going well and where improvements could be made to help make our school a better place for all children.

We are now repeating the survey to find out whether you feel any changes have been made since then. Your views are valuable and will help us continue to reflect and improve.

The survey is for all parents and carers and takes less than 10 minutes to complete. If you have more than one child at the school, you are welcome to fill in the survey for each child.

Your responses are completely anonymous and will only be seen by the Nottinghamshire Parent Carer Forum. They will not be shared with anyone else.

You can take the survey by clicking the link: <https://forms.office.com/e/45292aX18D>

or scanning the QR code:

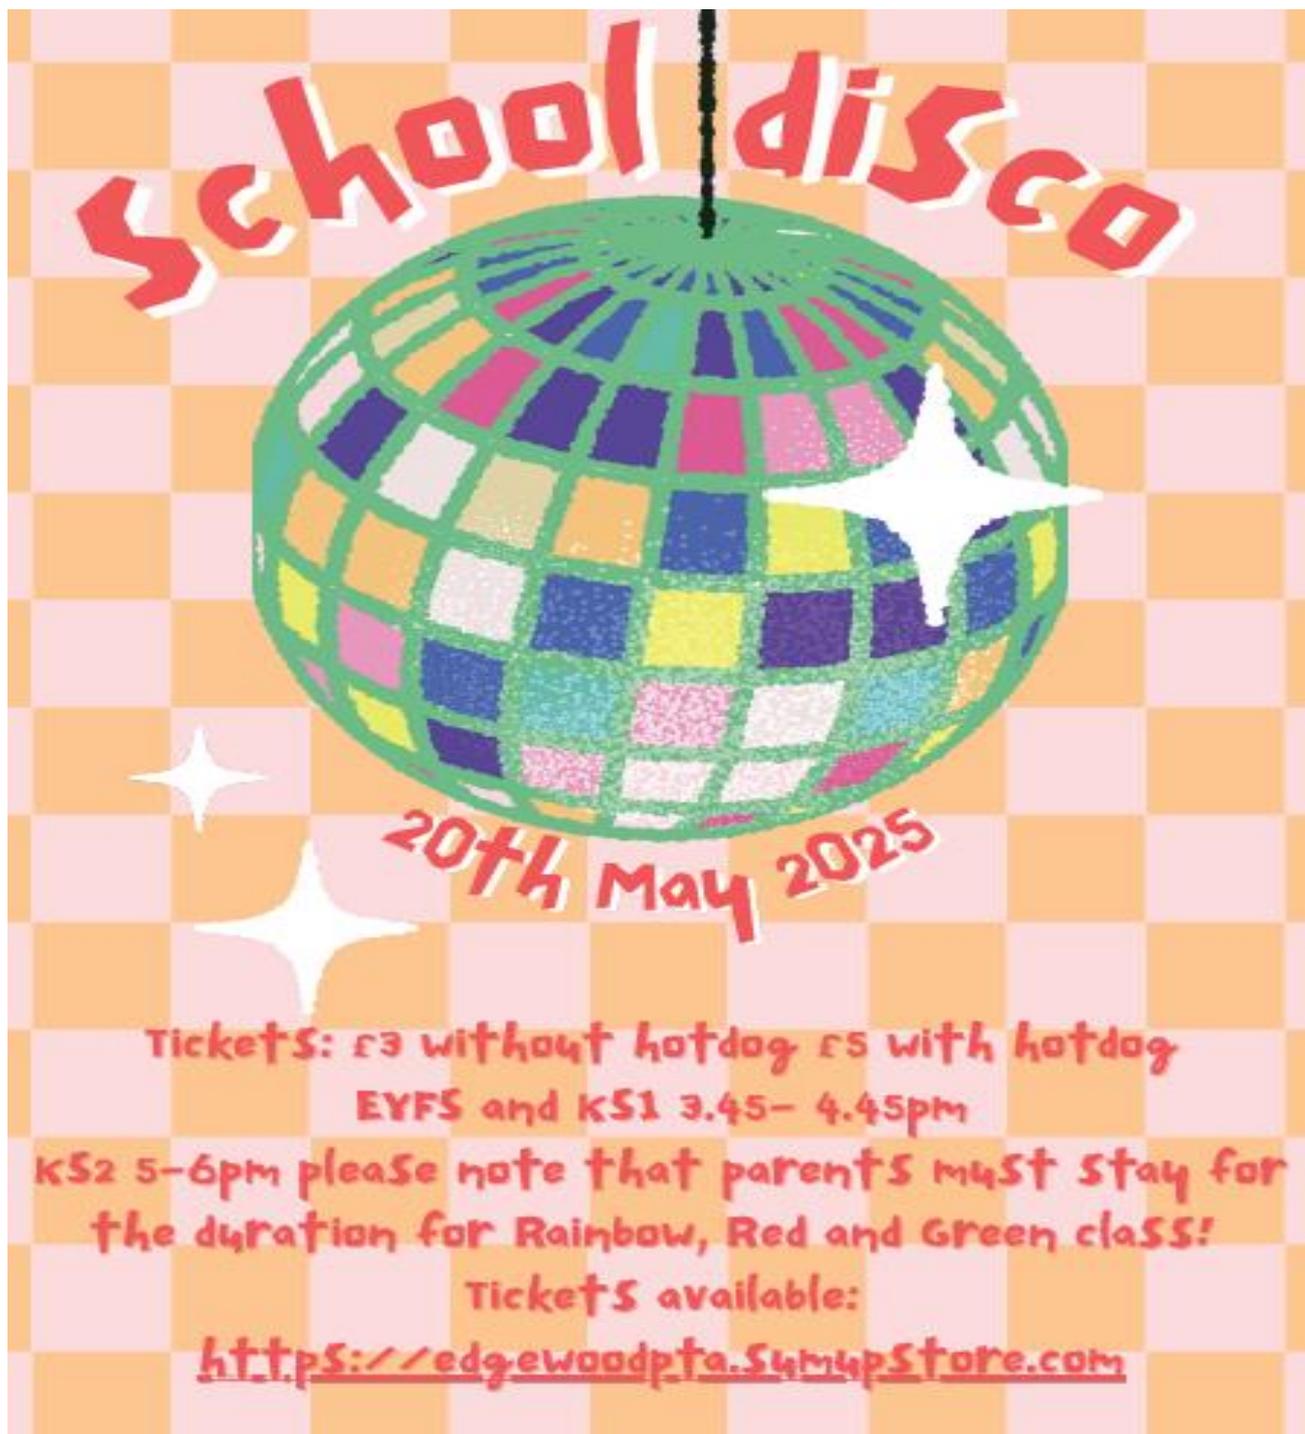

The link is now live and will be open until Monday 12th May 2025. Thank you for your time and support.

Edgewood Primary School SEND Parent Carer Group

Following on from the termly PINS SEND sessions we would like to start our own group. We will be sending out a questionnaire to all parents and carers as to what the needs of this group will be and how the sessions will look. If you have any ideas, Mrs Bradley is going to hold a drop-in session on **Monday 19th May 2025 2-2.30pm.**

There is no need to book and a formal SEND diagnosis is not required: **all** are welcome.

A poster for a school disco. The background is a light orange and pink checkerboard pattern. At the top, the words "School disco" are written in a large, red, bubbly font with a white outline. Below the text is a large, colorful disco ball with a green grid and various colored segments (blue, yellow, pink, purple). A white starburst is on the right side of the ball. Below the ball, the date "20th May 2025" is written in a red, bubbly font. At the bottom, there is text about tickets and times, and a URL for ticket purchases.
