Newsletter

What a busy and exciting week we've had again. It was great to see so many engaged pupils on the Conkers Trip and it certainly sounded like a great time was had by all the children in Year 3-4! Well done Miss Cross and team. The school is so proud to have achieved the School Games Gold Mark Award again this year – further details can be found below. Another busy week for sport in school was topped off with us hosting the Tennis Competition.

Edgewood Strikes Gold for 4th Consecutive Year!

We are delighted to announce that Edgewood Primary School has achieved the School Games Gold Mark Award for the 2024/25 academic year – marking the fourth consecutive year we have achieved this award.

The School Games Mark is a government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

A special thanks to all our amazing children who have embraced all the opportunities we have given them this year and to all the staff and team at Next Level Sports who support us with all aspects of our sporting offer.

We look forward to applying once again in 2026, where we will aim to achieve our Platinum Award (5 consecutive years of the Gold Award) for the first time in the school's history.

Year 4/5 Tennis Competition

Our final event of the year has been and gone with more sporting success for our Year 4 and Year 5 children. Despite many of them having never played competitive tennis before, they competed exceptionally well against the other Hucknall schools in the Next Level Games. The two teams finished in 2nd and 3rd place, which is an amazing achievement.

Throughout, they demonstrated everything we expect of Edgewood pupils – respect, determination and a willingness to try their best. We couldn't be prouder of them.

Request from Mrs Miles

If anyone has a large beanbag that they no longer use/need/want (and it is in good condition), please let us know if you are willing to donate it to school. Please call first – so that we do not get overwhelmed! Thank you.

Appropriate footwear for nursery children

Please can nursery children wear filled in shoes such as trainers/school shoes - no open-toe sandals or crocs/sliders please for safety when playing outside. Thank you.

Lunchtime Update

Now that we have a third option for dinners, we are having lots of children saying that this is not what they ordered or indeed what they like. This can cause a lot of upset - we always go by what is on our register and as food is cooked to order we cannot change this. To prevent this, please could you advise your child what to expect for dinner to avoid any confusion or upset at lunchtime.

Thank you

Lost Property

We have quite a collection of lost property in reception and around school – if you know that you are missing items, please can you check. There are water bottles, coats and a vast selection of uniform items. At the end of the term, any remaining items will be disposed of or donated to charity.

Warm Weather Reminder

It has been great to see the children enjoying the warm weather this week. Please ensure that your child has a named water bottle and named sun hat in school to ensure that they stay hydrated in the sunshine. It will also be beneficial for the children to have sun cream applied at home before school and to have some

with them in school that they can apply themselves. Sadly, staff are not allowed to put sun cream on pupils so you might consider getting a sun cream that has long lasting sun protection throughout the day or is easy to self-apply e.g. sprays and sticks.
