

Transition FAQ's

Will I be in the same class as some of my friends?	We will always do our best to keep friends together. Primary schools have been asked to group friends together. If you are not happy, please tell us during transition and we can make changes ahead of your start in September.
Where can we eat lunch?	During the transition days, we will use the Hillcrest canteen and you will have access to the quad and playing field. From September, you will be able to use either the Nabbs or Hillcrest canteen.
Can I bring money to buy food?	Yes, however we will not be able to give you change. Instead, this will be added to your account for September. For example, if you bring £10 but only spend £2 the remaining £8 will be added to your account.
What time do we need to be at school?	During transition days we run a slightly shorter day of 9am-3pm.
What should I wear during transition?	During transition you should wear your normal primary school uniform. There will be a PE day where you should wear your PE kit for the day.
